Declaration of Minerals Conflict-Free

Dear Valued Customer,

Yea Shin Technology Co., Ltd. is dedicated to serving you by providing high quality products that the 3TG metals used on our product are smelted at CFS registered sources according to the EICC. In accordance with the law and SEC rule, but more importantly in the spirit set forth in our Code of Conduct, Yeashin will work with our supply chain partners to take reasonable steps to ensure YS's compliance with the law and regulations and to strive towards sourcing product which is considered "3TG Conflict Free".

Yea Shin Technology Co., Ltd. has taken due diligence within our supply chain to assure "DRC Conflict-Free" for the metals of gold (Au), tantalum (Ta), tungsten (W), tin (Sn) and cobalt (Co) are not derived from or sourced from mines in conflict areas of the Democratic Republic of Congo (DRC), or illegally taxed on trade routes, either of which are controlled by non-governmental military groups, or unlawful military factions. Trade routes not confirmed to be "Conflict Free" include direct exports from the DRC, as well as exports through Rwanda, Uganda, Burundi, Tanzania and Kenya (countries of whom the U.N. Security Council note are global export routes for DRC-mined minerals).

Yea Shin Technology Co., Ltd. herein formulated this Conflict Minerals Policy and makes following commitments:

1. Not to purchase conflict minerals from mines in the Conflict Regions.
2. Request its suppliers to refuse to use Conflict Minerals from the Conflict Regions.
3. Request YS's suppliers to notify their upstream/downstream suppliers to follow Minerals Conflict-Free requirements.
4. Continuing our policy and our efforts to source conflict-free minerals from the DRC where possible.
